Wuttup Council!

What a busy last couple of weeks! With school starting to pick up with midterms, EngSoc, and everything else going on, it's really easy to get stressed around this time of year. With that being said, it makes it soooo important to consider self-care as a daily necessity and ensure that you're mentally sound to tackle the rest of the semester. I implore everyone to seek out some self-care in the next couple of weeks, whether that be hanging out with friends, going to the gym, watching some TV series, or anything between! Please find some time for yourself cause you're all more important than all the stuff on your plates.

Much love

Zaid, <3

Stuff I've been doing over the past two weeks;

- Wrapping up the Student Choice Initiative with Delaney and Jinho;
- Advisory Board and Faculty Board;
- Statics with all my lovely Directors;
- A lot of policy writing (Will be coming to next Council!);
- Attending the Alma Mater Society Assembly with the Engineering Society delegation;
 - Working a lot with Delaney to build case against AMS Membership change.;
 - o AMS Assembly got cancelled cause of quorum issues lol;
- Hiring!;
 - Helping Mitch with Science Formal;
 - o Hiring a new OEC Co-Chair (Applications are currently up on Dash!!!);
 - Helping Bethany wrap up the fall hiring rush where needed (Finding some place to store all our hiring documents);
- Working with Max to ratify some more design groups;
 - Working through new design hiring policy with Max and Bethany;
- Working with Kendy (Faculty) to create a distribute the Dean's Wine and Cheese invite lists.;
 - General organization of the Dean's Wine and Cheese;
- Meeting with all the clubs to discuss banking → creating all the affiliated groups contracts (Contract is complete! → Will get everyone to sign soon);
- Working with Kendy to organize the Fall Preview on the EngSoc side of things;

- Meeting with Mike Krampitz (LifeTouch) to discuss how EngSoc can support their business....;
- Lot's of preliminary discussions about EngSoc Elections and Awards Committee → Will be heading to the Delta (maybe with Ben) to talk about some deals... I want free soup.;
- QEC happened! → Supporting them with payments and whatever else they need (Great job Co-Chairs!);
 - o Getting ready to send some people to OEC (0000000);
- Supporting Clubs (mostly answering questions);
- Whole bunch of other admin stuff;
- Student Choice Initiative post-planning;
- Payments for a whole bunch of groups!;

Thing I'm working on over the next two weeks:

- Hiring Chief FREC w/ Ally and Del;
 - o Tell first years to apply!
- Meetings with discipline clubs and year executives;
- More governing document changes and restructuring;
- Attending the third AMS Assembly;
- Office hours and statics with all my Directors, weekly;
- Homecoming is coming up!;
- Meetings;
- Admin stuff;
- Budgeting review and general oversight of my portfolio.;
- Midterms. (2);
- Facilitating the signing of the Affiliated Groups Contracts signing.;
- Dealing with EngSoc issues as they come up...;
- Having a great spooook;

I hope everyone has an amazing SpOOOOOooooooooooOOOOOOoookKKKy SZZZn

Sp00k <3,

Zaid VPSA (Vice-President Spooky Affairs)

Finance - Liam Cregg

finance@engsoc.queensu.ca

Hi everyone!

What I've done over the last 3 weeks:

- Got the site working, took down the Google form link from the website
- Been reviewing budgets from all our affiliated groups who want to stay ratified, plus new ones
- Processing transactions with the FOs
- Getting room bookings set up with PennyDrops

Things that I will be doing over the next two weeks:

- Moar budjets
- Revamping the Operating Budget with Jinho to reflect the outcomes of the SCI
- Adding people to the site (give me their emails if you need people on it)
- Adding guides to the site so that people know how to use it

Reminders/Events:

- The financial literacy workshops run by PennyDrops in November are open to anyone, highly recommend checking them out
- Any sales and stuff, make sure you let me or the finance team know as far in advance as possible, at least a week ideally
- You can technically still use the paper reqs if you really need it and the site isn't working/you aren't on it

Cheers everyone, I'll unfortunately be missing Spooky Council but I will catch y'all at the next one!

Liam Cregg, Director of Finance

<u>First Year – Nick Neokleous</u>

firstyear@engsoc.queensu.ca

Hello Council!

Things that I've been doing over the past three weeks:

- Hiring FYPCOs
 - o They're hereee
 - o Shout out to Aaron the FYPCO manager and Craig Maslan for helping hire
- Finally got our last super section rep!
 - o Shout out to Ben for his unwavering commitment and assistance
- Handed out physics cookies
 - Shout out to all the volunteers for helping & Genevieve for helping me plan the event
- Opened the lounge with Abbey's help for a little bit over the long weekend for student's who wanted a safe positive environment to hang out for a bit
- Continued correspondence with the first years
- Meetings with team and FYE

Things that I will be doing over the next two weeks:

- Keep first years updated on resources available to them
- Remind first years to reach out to FRECs, uppers and faculty if they ever need help
- Utilizing super section reps to gather info from each section: What info do they want to know/what isn't clear right now? Then follow up on that.
- Yeet over to Halifax for a conference
- Start planning logistics of jacket pickup and the slam

Reminders:

- Chief FREC applications are due tomorrow, don't be afraid to encourage any first years to go for it
 - As an extension, encourage them to go for FC applications afterwards if they seem interested.
- The reading break is very close, stay strong! 😊

Stay hydrated,

Nick Neokleous

<u>Human Resources – Bethany Viray</u>

<u>hr@engsoc.queensu.ca</u>

Hello Council!

Things that I've been doing over the last two weeks:

- Meetings and statics with my team
- Wrapping up fall hiring stuff
- Documenting and organizing everything from beginning-of-semester hiring
- Helping my Recruitment Officer plan an event at the end of the month for international students in Engineering
- Collecting external brand perception feedback
- Met with my FYPCO, Bella!!!!
- Developing surveys to get internal feedback, especially for design teams, conferences, and events
- Planning fall training conference

Things that I will be doing over the next two weeks:

- Working with my Training Officer to develop newer, more position-specific, and more day-to-day specific training (may include into fall training conference depending on how well things go); continue planning fall training conference
- Working with the new Services Officer to develop and distribute service-specific feedback forms (service staff/manager, customer service, etc.)
- Continuing helping Anne plan the international students' event at the end of the month

With the fall hiring rush pretty much wrapped up, just wanted to say thank you to everyone who hired and hope you're all excited to work with the new members of your teams. Also just wanted to give a huge shout out to my FYPCO, Bella—she's going to do an awesome job this year and I'm so excited to work with her. Congrats to all the FYPCOs!

Cheers, Bethany Viray

<u>Information Technology - Andrew Farley</u>

Aloha Council!

Things that I've been doing the last 2 weeks:

- Dash dash dash, more fixes, yet again
 - o (At least it's working!)
- EngSoc servers may have been hacked, migrated a server to erase infected access. This was not fun to deal with at all
 - o Rest in peace Taygen, long live Talon
- Teams are hired! I sat in on first meetings and helped get everything going
- Helping people with password resets on emails, AMS now has to do it, please submit requests to https://www.queensu.ca/itrack/AMS/ams.php
- No major fires other than the aforementioned hack! This is a huge boost compared to previous weeks
- Science formal is now completely setup with SSL, shoutout to Chris Payne for putting up with how long it took

Things that I will be doing over the next two weeks:

- Dash, dash dash. More fixes, this will be inevitable for the time being
- Dealing with more server issues (again, there will be more)
- Acting as a consultant for directors who have IT questions or projects
- Making sure the teams get a good kickoff especially with so many weekends being busy this month

Happy midterms/ "quizzes that are worth over 20% but still considered quizzes somehow" to you all, good luck and make sure to take time for yourself.

I'm your guy for any tech questions, does not need to be EngSoc related at all. Hit me with anything including advice for how to start programming or advice on different personal projects.

Pitter Patter,

Ya Boi Farley

when you didn't code in a language for too long and successfully write a hello world program
