- Reach out to the Chief Returning Officer via E-mail to receive a Nomination Form template. Fill out the Microsoft Form template with your name, position of candidacy, a photo of yourself, and a brief description of your platform. Ensure that the form is shared (including editing access) with the Chief Returning Officer and Chief Electoral Officer (use the emails given).
- Descriptions can be a maximum of 75 words for Senator Candidates, 125 for Vice Presidential candidates, and 175 for Presidential Candidates.
- Have 50 members of the Engineering Society (all undergraduate engineering students) sign the Nomination Form. Be sure to collect many more than the number of signatures that you require as people could provide false names and numbers or sign your sheets more than once.
- Email the Chief Returning Officer indicating the successful solicitation of at least 50 signatories by 5:30 pm EST on Wednesday, January 14th, 2026.
- Attend one of the All Candidates Meetings on Wednesday, January 14th 2026 at 6:30 PM EST, or on Sunday, January 18th 2026, at 6:30 PM EST in the BMH 111 to review information on campaign rules and regulations. Please read the campaigning rules in advance and treat this as a final run-through of the rules and procedures.
- Sign the Video Release form (will be distributed at the All-Candidates Meeting to allow for the filmed debate to be placed on Facebook, and YouTube, with your consent).
